**3D SYSTEMS' UNOPPOSED MOTION FOR LEAVE TO FILE MEMORANDUM  
IN SUPPORT OF ITS MOTION TO DISMISS IN EXCESS OF 15 PAGES**

3D Systems, by its undersigned attorneys, submits this Unopposed Motion for Leave to File Memorandum in Support of its Motion to Dismiss in Excess of 15 Pages pursuant to Local Rule 7.1, and states as follows:

Plaintiff DSM Desotech, Inc. ("Desotech") filed a eight-count, 29 page complaint on March 14, 2008. It brings a tying claim pursuant to the Sherman Act § 1 and the Clayton Act § 3, an unreasonable restraint of trade claim pursuant to the Sherman Act § 1, and an attempted monopolization count pursuant to the Sherman Act § 2, as well as claims pursuant to the Illinois Antitrust Act, the Illinois Uniform Deceptive Trade Practices Act, and common law tortious interference with prospective economic advantage. Desotech also included a count for patent infringement, but 3D Systems does not intend to move to dismiss that count.

Because of the number and complexity of the claims that 3D Systems intends to move to dismiss, it requests this Court's leave to file a memorandum of no more than 35 pages. 3D Systems will attempt to limit the memorandum to as few pages as possible and will not use the expanded page limit to engage in repetition or futile arguments.

Counsel for 3D Systems, Paula Render, conferred with counsel for Desotech, Andrew Marovitz, regarding this motion. Mr. Marovitz authorized Ms. Render to represent to this Court that Desotech does not oppose this motion.

WHEREFORE, 3D Systems requests that this Court grant its unopposed motion to file a memorandum of up to but no more than 35 pages in support of its motion to dismiss Desotech's antitrust and state law claims.
